

ENVIRONMENTAL POLICY STATEMENT

Nolan Recycling limited is committed to continual improvement of it's environmental performance via compliance with respective environmental rules, regulations and to it's own health and safety, quality and environmental systems.

The company will communicate and enhance these policies with it's employees, contractors, suppliers any other parties that may be affected by our operations.

The principle operations of the company that we will control will be

Waste processing, discharges and emissions.

Transport and Collection activities.

Wastes segregation, sorting and recycling.

Airbourne emissions.

Noise emissions.

These processes will be monitored and any breaches will be acted upon.

These areas will form the core of the company's improvement plan.

This policy will be regularly monitored and reviewed to ensure continual improvement and sustainability.
