Nolan Recycling Limited is committed to the continual improvement of its environmental performance via compliance with respective environmental Rules & Regulations to its own Environmental, Health and Safety & Quality systems

The Company will communicate and enhance these policies with its employees, Contractors, Suppliers and any other parties that could be affected by our operations.

The Principle operations that we control are the following.

- Waste Processing, Discharges and Emissions.
- Transport and Collection activities.
- Waste Segregation, Sorting and Recycling.
- Airborne Emissions.
- Noise Emissions.

These Processes will be monitored and any breaches will be investigated and rectified.

These Areas will form the core of the company's improvement plan.

This Policy will be regularly monitored and reviewed to ensure continual improvement and sustainability.

Signed on Behalf of Nolan Recycling Limited.

Director  James Patrick Nolan
