

## ENVIRONMENTAL POLICY STATEMENT

Nolan Recycling Limited is committed to the continual improvement of its environmental performance via compliance with respective environmental rules, regulations and to its own Environmental, Health and Safety and Quality systems.

The company will communicate and enhance these policies with its employees, contractors, suppliers and any other parties that could be affected by our operations.

The principle operations that we control will be

- Waste processing, discharges and emissions.
- Transport and collection activities.
- Waste segregation, sorting and recycling.
- Airborne emissions.
- Noise emissions.

These processes will be monitored and any breaches will be investigated and rectified.

These areas will form the core of the company's improvement plan.

This policy will be regularly monitored and reviewed to ensure continual improvement and sustainability.

Signed on Behalf of Nolan Recycling Limited.
